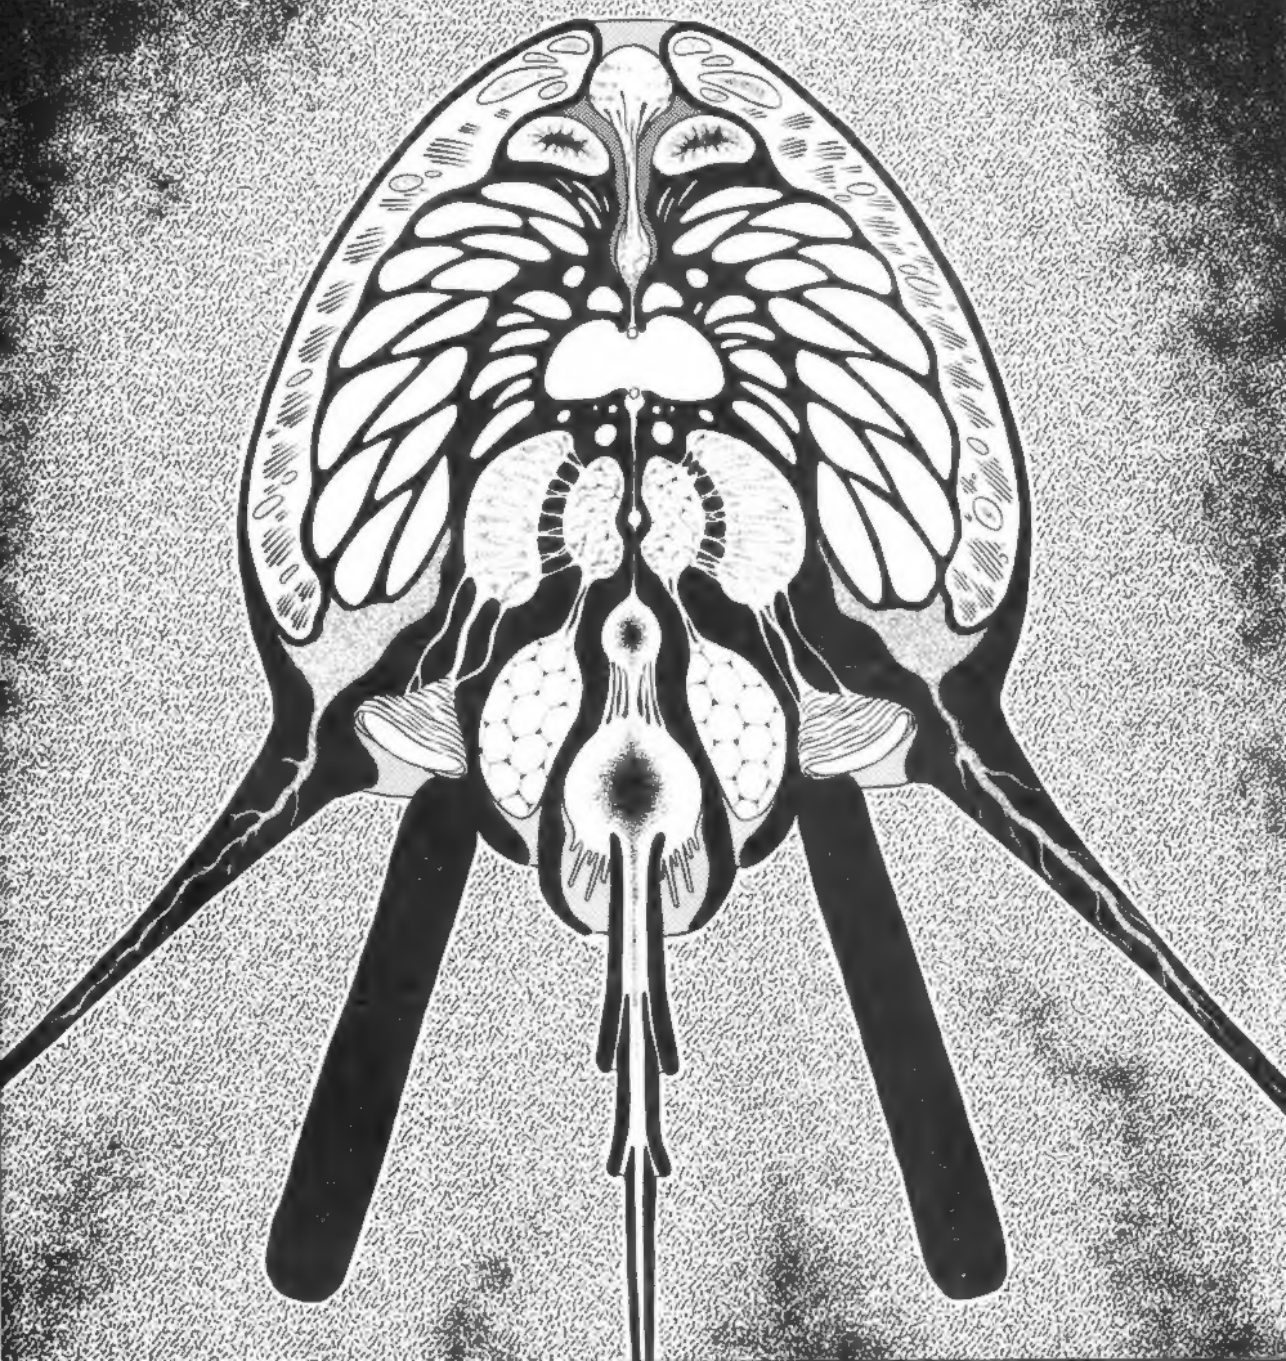
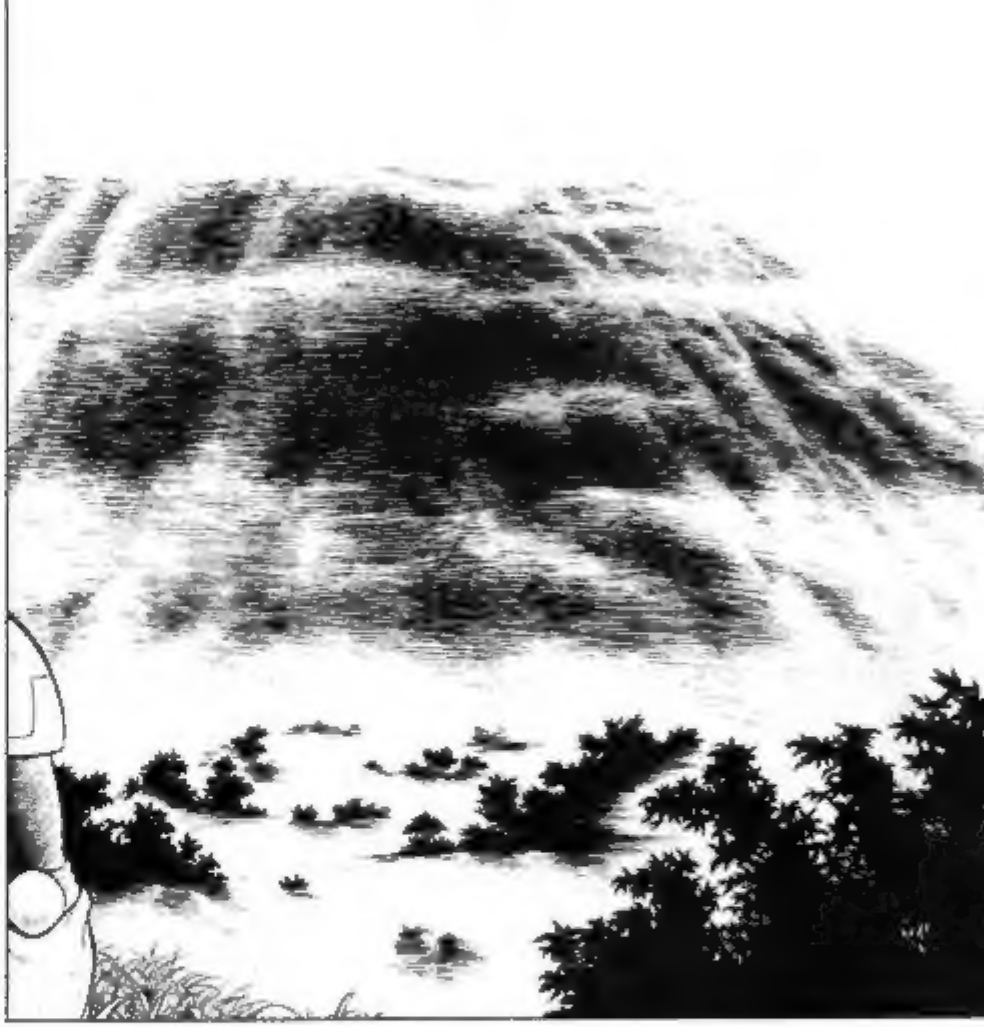
Chapter One:
DASHED!





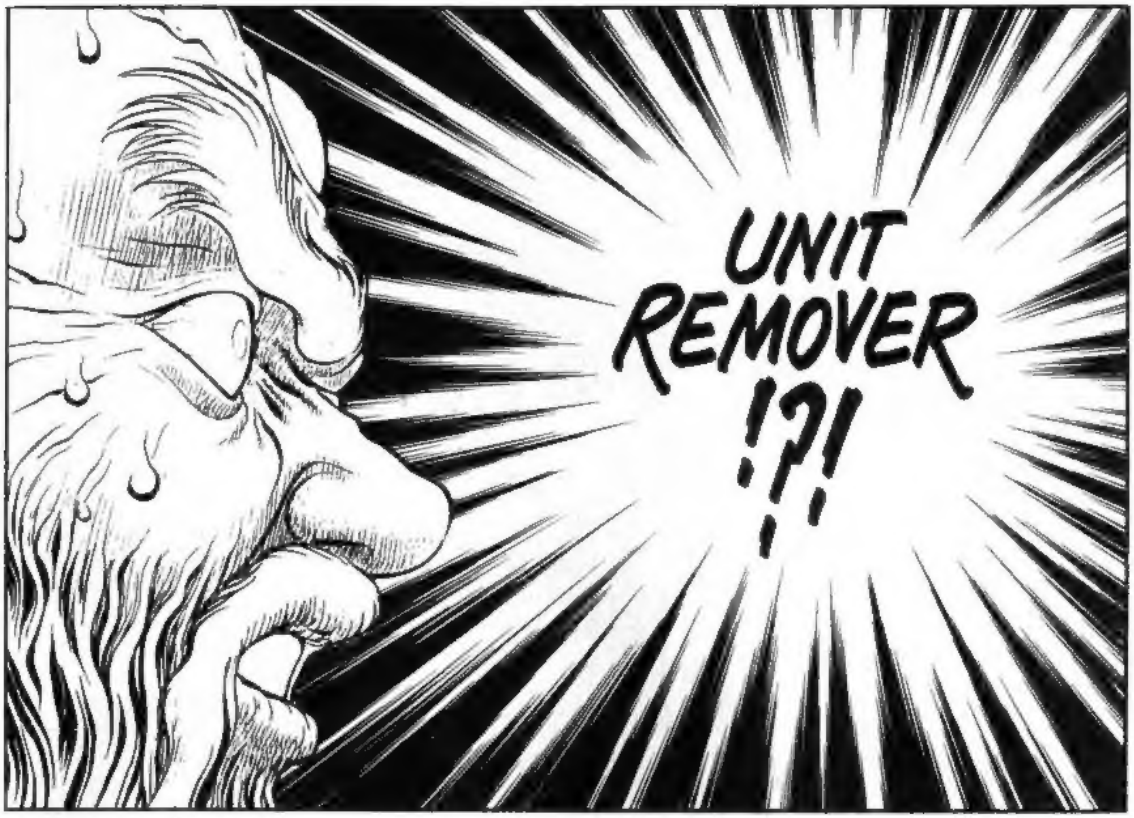
THAT BAS-TARD...
...I WON'T JUST LET IT GO LIKE THIS!!

RELICS POINT... THAT'S WHERE HE'S HEADED!
SOMETHING IS ABOUT TO BEGIN--
--AT MOUNT MINAKAMI!
LET'S GO!!!

SSHU
MM
UM
MMMMM
OH...

THERE'S NO DOUBT ABOUT IT-- THAT'S ALKANPHEL !!
BUT WHY DID ALKANPHEL HIMSELF COME TO JAPAN... ??
GYRO...

...IF YOU JUST HAND OVER THE REMOVER LIKE A GOOD BOY, I MAY OVERLOOK YOUR RECENT DEEDS--THIS TIME.
AFTER ALL, MY PLAN REQUIRES ALL TWELVE ZOALORDS.
BUT, TURN ON ME NOW, GYRO--
--AND I WILL TOLERATE YOUR ACTIONS NO LONGER.
TELL ME THE LOCATION OF THE UNIT REMOVER !!



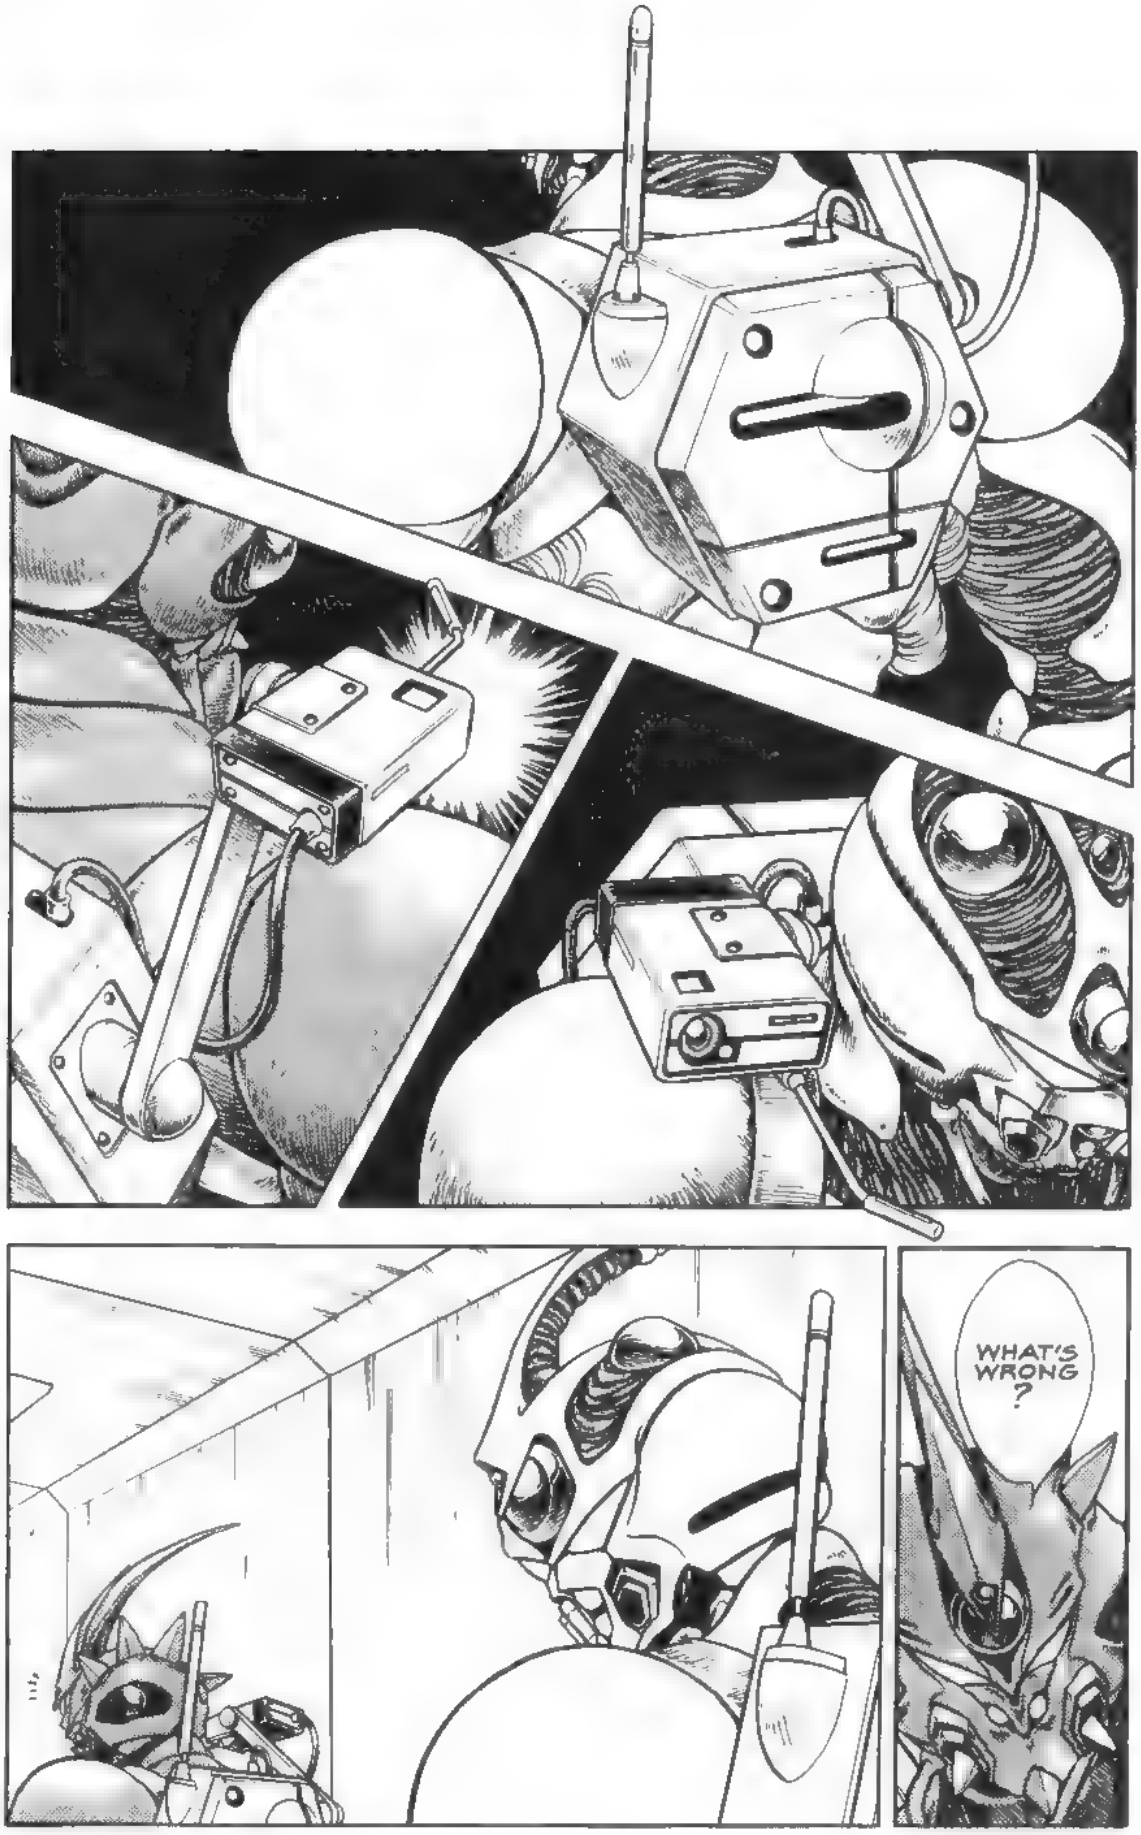
UNIT REMOVER !?!

.....
...
AFTER FINALLY OBTAINING THE REMOVER, IT COMES TO THIS...?

I DIDN'T EXPECT ANYONE ELSE TO EVEN KNOW OF THE EXISTENCE OF THE REMOVER...
...AND THAT ALKANPHEL KNOWS, OF ALL PEOPLE... !?!

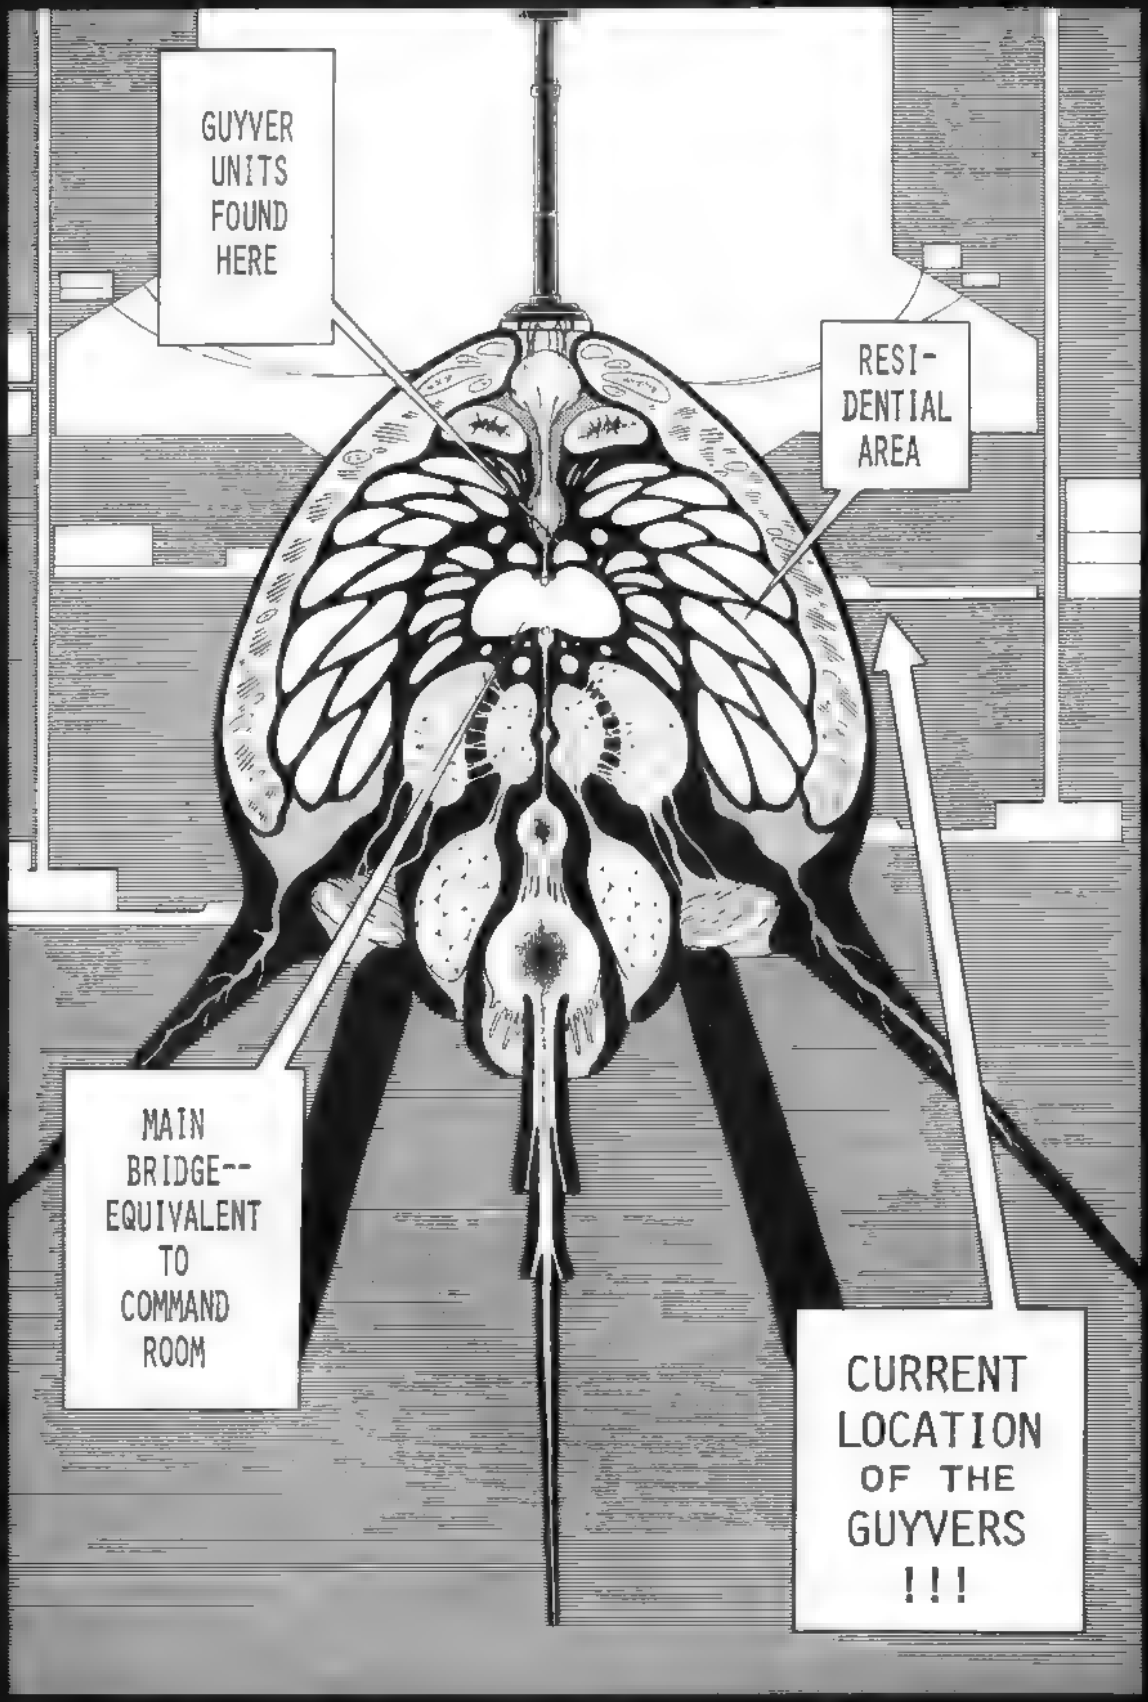
HEAD OF THE TWELVE ZOALORDS, COMMANDER-IN-CHIEF OF THE CHRONOS CABAL...

...BUT ALSO SOMETHING *MORE!*



WHAT'S WRONG ?

OH... JUST THINK-ING.
THESE PACKS ARE KINDA DORKY, YOU KNOW?
HA! AGREED, SHO.
NOW, EVERY-ONE...
THIS IS THE STRUCTURAL DYNAMIC OF THE RELIC, WHICH WE CONSTRUCTED FROM DATA GATHERED FROM RELICS AROUND THE GLOBE.



GUYVER UNITS FOUND HERE
RESI-DENTIAL AREA
MAIN BRIDGE-- EQUIVALENT TO COMMAND ROOM
CURRENT LOCATION OF THE GUYVERS !!!

FROM THIS TUNNEL, YOU WILL APPROACH THE INTERIOR OF THE RELIC.

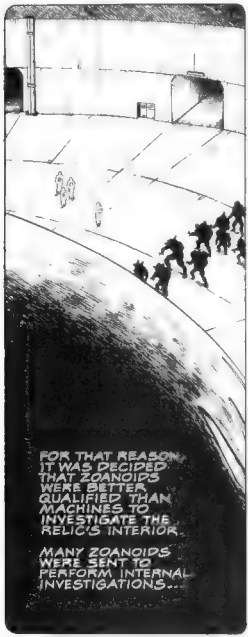
THE EXTERIOR WALL OF THE RELIC--IT OPENED BY ITSELF?

JUST AS I THOUGHT.
IF A GUYVER WISHES IT, THE RELIC OPENS A PATH TO ITS INTERIOR.

LET'S GO, SHO.
GU RRP
!!

ALTHOUGH THE EXTERIOR SHELL OF THE RELIC IS EXTREMELY HARD...
...A MAN-MADE MACHINE TOOL CAN STILL PIERCE IT.
THE PROBLEM LIES IN ITS HYPO-DERMAL SYSTEM.
THE HYPODERMAL SYSTEM OF THE RELIC CONTAINS NUMEROUS LAYERS...
...EACH OF WHICH, WHEN SEVERED BY A MACHINE TOOL, SECRETES A SOLVENT OF DIFFERENT COMPOSITION.
WHEN THE MACHINE TOOL IS EXPOSED TO THESE LIQUIDS, NO MATTER WHAT THE CONSTRUCTION OF THE TOOL MAY BE--
--IT DISINTE-GRATES IMMEDI-ATELY !!

ALTHOUGH THESE SOLVENTS ARE CERTAINLY DANGEROUS TO LIVING ORGANISMS AS WELL...
...THEIR EFFECT IS NOT AS PRONOUNCED AS IT IS ON THE INORGANIC MATERIALS.

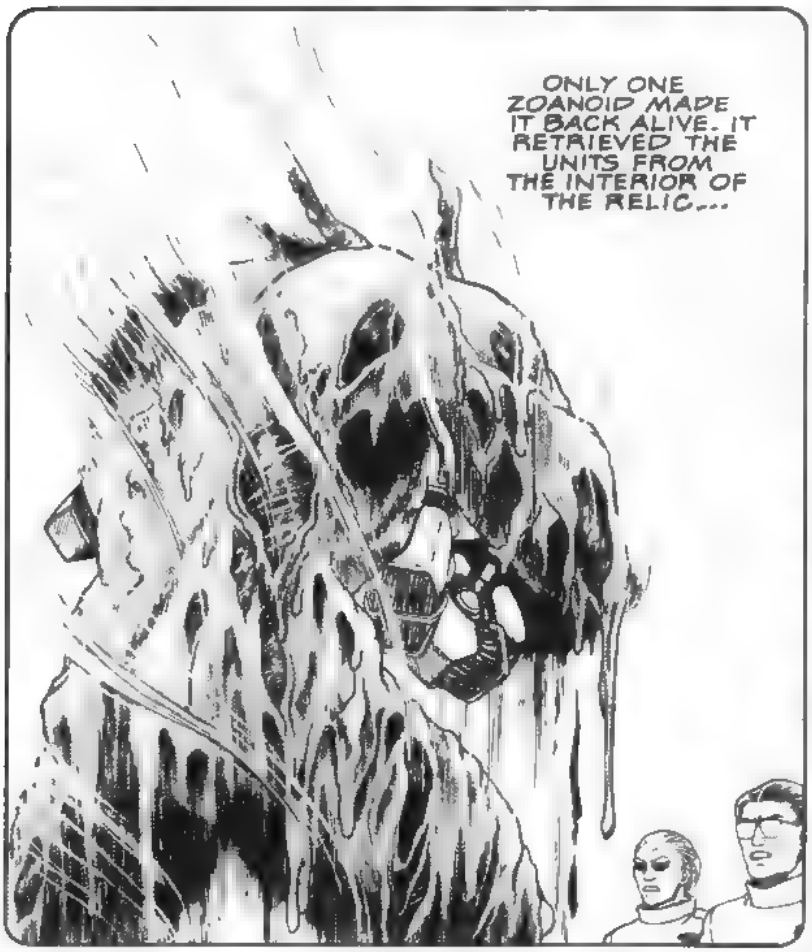


FOR THAT REASON IT WAS DECIDED THAT ZOANOIDS WERE BETTER QUALIFIED THAN MACHINES TO INVESTIGATE THE RELIC'S INTERIOR.
MANY ZOANOIDS WERE SENT TO PERFORM INTERNAL INVESTIGATIONS...

...BUT MOST OF THEM DISSOLVED BEFORE BREAKING THROUGH THE HYPO-DERMAL LAYERS.

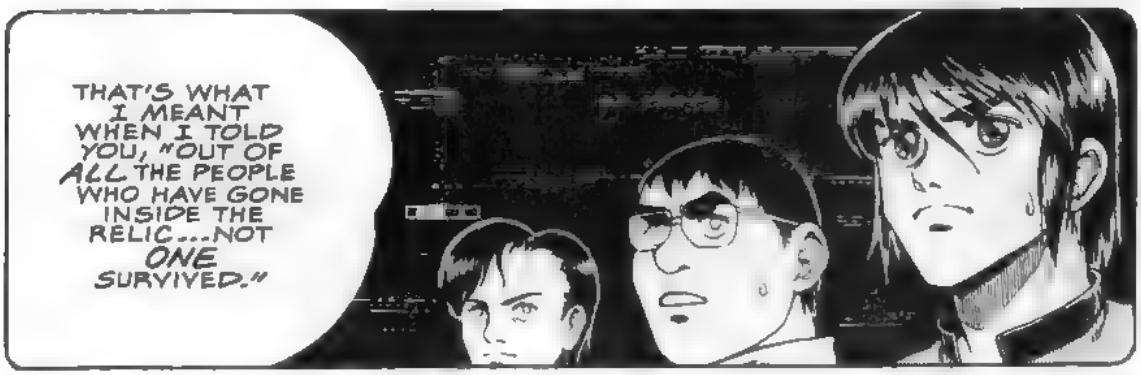
AND, EVEN IF THE HYPODERMAL LAYERS ARE BREACHED AND THE INTERIOR OF THE RELIC ACCESSED...
...THERE IS STILL THE MATTER OF THE JOURNEY BACK!

THE SPACECRAFT IMMEDIATELY REPAIRS DAMAGED PARTS, SEALING ANY HOLES THAT HAVE BEEN DRILLED OPEN.



ONLY ONE ZOANOID MADE IT BACK ALIVE. IT RETRIEVED THE UNITS FROM THE INTERIOR OF THE RELIC...

...BEFORE DISSOLVING INTO GOO, RIGHT BEFORE OUR EYES.



THAT'S WHAT I MEANT WHEN I TOLD YOU, "OUT OF ALL THE PEOPLE WHO HAVE GONE INSIDE THE RELIC...NOT ONE SURVIVED."

BUT A GUYVER--?!?
WITH BODIES IDENTICAL TO THE FORMER CREWS OF THE RELIC SPACESHIP--
--A GUYVER WOULD SUR-VIVE!!

SEEMS LIKE WE'VE REACHED THE END OF THOSE HYPODERMAL LAYERS MR. ODAGIRI TOLD US ABOUT.
SHO, LOOK BEHIND YOU...

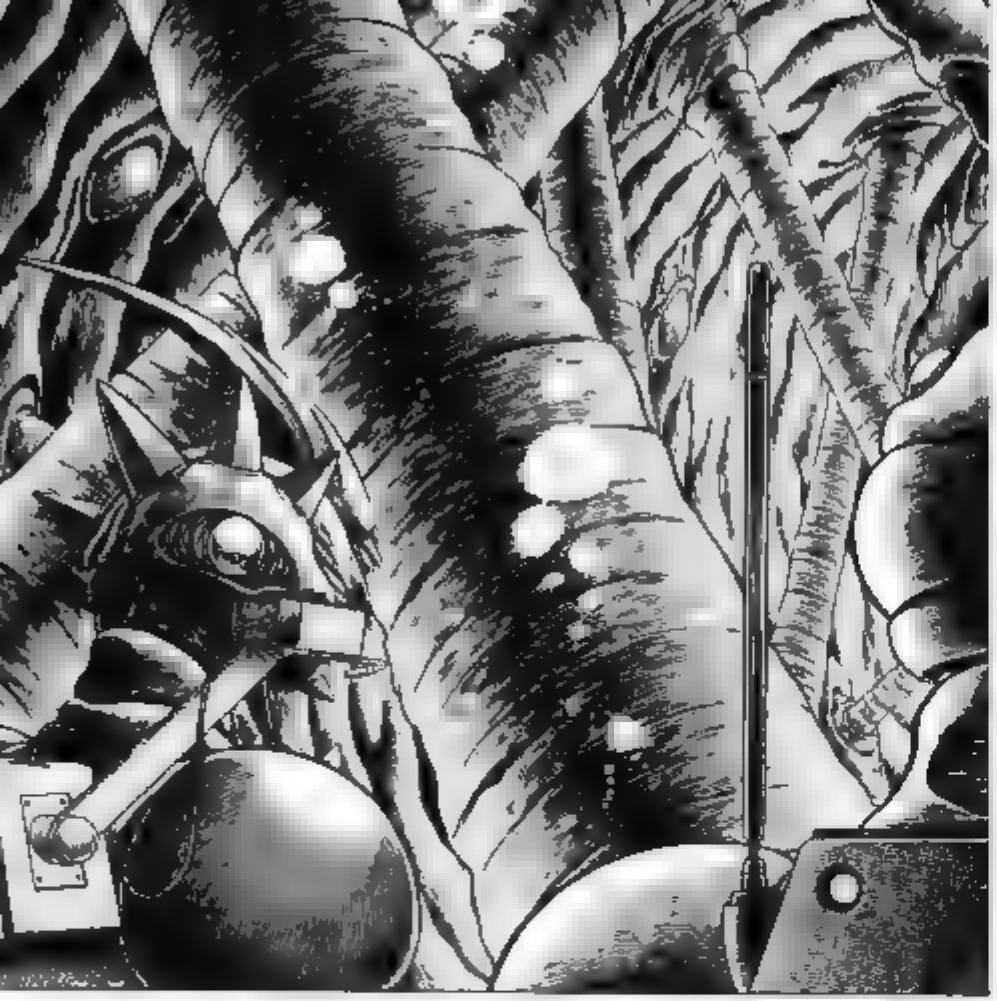
Chapter Two:
AWAKENED!



AGITO
!

THE RELIC SPACESHIP MAY NEVER HAVE HAD AN ACTUAL ENTRANCE!

ANY ORGANISM WITH THE BIO-BOOSTER ARMOR--
--IF THE GUYVER WISHES IT--CAN CREATE A GATEWAY.
BUT, FOR "FOREIGN BODIES" THAT FORCE THEIR WAY IN...
...THE LAYERS OF WALLS SECRETE SOLVENTS TO PREVENT INVASION! THAT MUST BE HOW IT WORKS!

MR. ODAGIRI!
OUR CURRENT LOCATION, PLEASE?
YOU'RE RIGHT BELOW THE HYPODERMIC LAYER, IN ONE OF THE SMALLER CHAMBERS, SHAPED ROUGHLY LIKE THE CELL OF AN ORANGE.
WE THINK IT'S A STORAGE OR LIVING SPACE.
HEAD ON TO THE CENTER OF THE RELIC!
THE NAVIGATION CONTROL ROOM SHOULD BE THERE.
AYE AYE, SIR.

EVEN WITH ALL ELEVEN ZOALORDS FIGHTING IN CONCERT, WE WOULD NOT BEST HIM.

JUST AS THAT PROTO-ZOALORD MURAKAMI CAN NEVER DEFEAT YOU!
WHEN YOU HIT THE BOTTOM OF THE BASE-MENT...

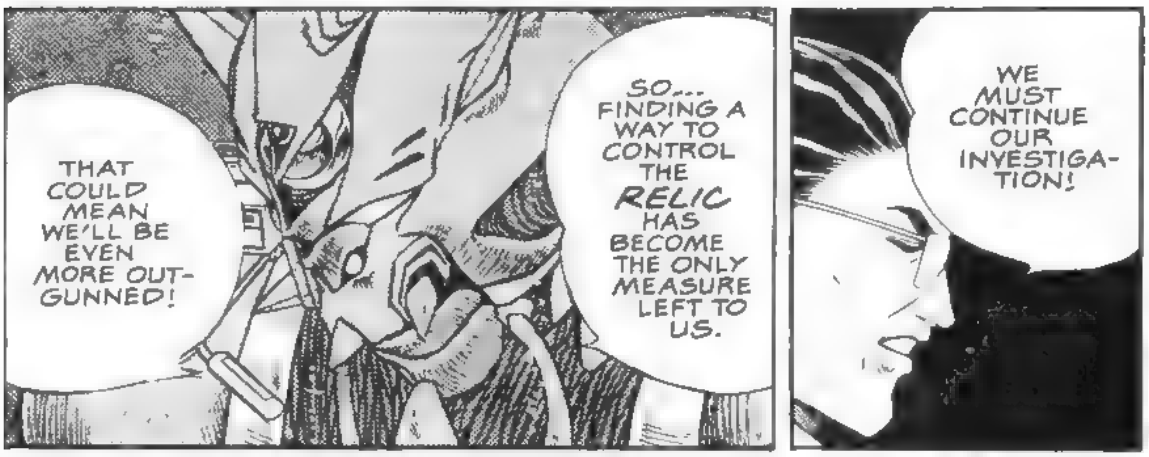
...THAT WOULD BE THE RIGHT LOCATION.
?
THIS HOLE...
MR. ODA-GIRI!
IT LOOKS LIKE SOMETHING WAS DUG OUT HERE...
WHAT?
THE CENTER OF THE UNIT REMAINS...
CAN YOU SEE IT?

WHAT COULD HAVE BEEN LOCATED THERE?
I DON'T KNOW. BUT--
--IT'S POSSIBLE THAT ONE OF THE MYSTERY OBJECTS DR. SHIRAI HAS BEEN SECRETLY SEARCHING FOR--
--COULD HAVE BEEN FOUND THERE.
IF THAT'S THE CASE, THE OBJECT WOULD NOT BE COMPLETELY UNRELATED TO THE UNITS.
AND IF IT IS ALREADY IN THE HANDS OF GYRO...

!!
!!



THAT COULD MEAN WE'LL BE EVEN MORE OUT-GUNNED!
SO... FINDING A WAY TO CONTROL THE RELIC HAS BECOME THE ONLY MEASURE LEFT TO US.
WE MUST CONTINUE OUR INVESTIGA-TION!

SHO, AGITO--
--ACCORDING TO MY CALCULATIONS, THE MAIN BRIDGE SHOULD BE RIGHT BELOW YOU TWO.

THERE'S MORE HERE THAN MEETS THE EYE.

TRUE! IT WOULD NOT BE LOGICAL FOR THE RELIC TO ATTACK A GUYVER.
MR. ODAGIRI...
LOOK!
A LIGHT BEAM-- CONNECTING SHO'S CONTROL MEDALLION AND THE TWO METALLIC SPHERES!
PERHAPS SHO'S CONTROL MEDALLION IS BEING LINKED TO THE RELIC'S MAIN CONTROLLER.
WE KNOW THAT THE CONTROL MEDALLION IS DIRECTLY CONNECTED TO THE BRAIN OF THE GUYVER.
THIS CONNECTION SHOULD ALLOW SHO TO MANEUVER THE RELIC AT WILL...

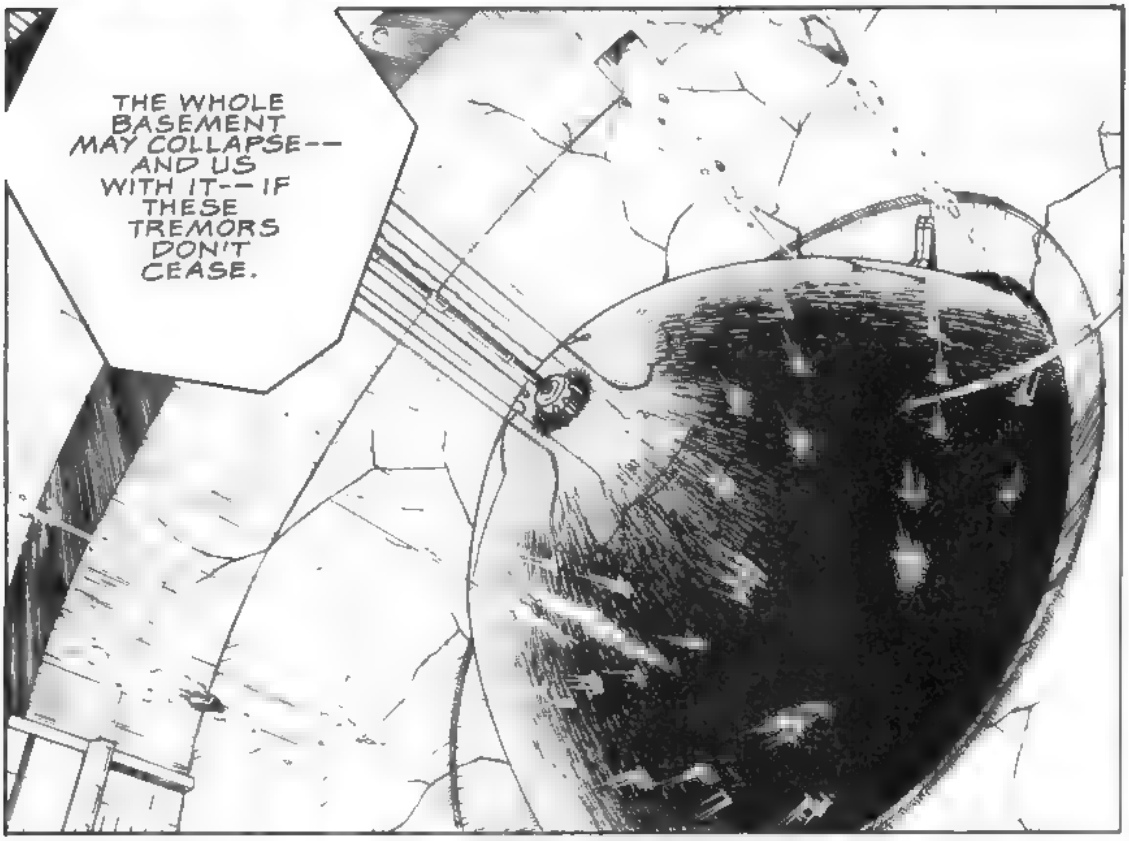
...LISTEN TO ME VERY CARE-FULLY.
WHAT HAS HAPPENED TO YOU IS VERY PECULIAR. YOUR BRAIN SEEMS TO HAVE BEEN LINKED TO THE MAIN COMPUTER OF THE RELIC VIA THE CONTROL MEDALLION.
I ASSUME THE ADVENTS, IN THE PAST, CONTROLLED THIS RELIC SPACESHIP IN A SIMILAR FASHION.

CONSEQUENTLY, IT MAY NOW BE POSSIBLE FOR YOU TO MANEUVER THE RELIC-- WITH YOUR WILLPOWER!
THE POWERFUL VIBRATIONS GIVEN OFF BY THE RELIC... SEE IF YOU CAN STOP THEM!



THE WHOLE BASEMENT MAY COLLAPSE-- AND US WITH IT-- IF THESE TREMORS DON'T CEASE.

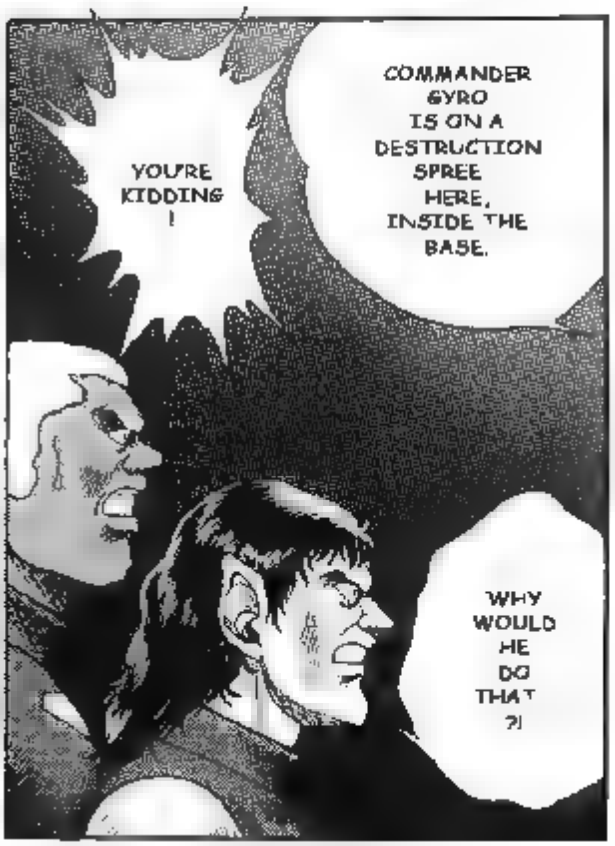
NO IT'S COM-MANDER GYRO.

BUT IT SEEMS THE COMMANDER IS BEING PURSUED BY SOMEONE
I DON'T KNOW



YOU'RE KIDDING !
COMMANDER GYRO IS ON A DESTRUCTION SPREE HERE, INSIDE THE BASE.
WHY WOULD HE DO THAT ?!

YOU MEAN THE GUYVER ?
IT CAN'T BE A-APTOM, RIGHT ?
UNFORTUNATELY WHEN COMMANDER GYRO PASSES THROUGH THE HALL THE HIGH-ENERGY INTERFERENCE BURNS OUT ALL THE SCANNERS
SO WE CAN'T IDENTIFY [redacted] IS BEHIND HIM.

I MAY STILL BE ABLE TO REACH THE BASEMENT BEFORE THEM.
THE COMMANDER GROWS DESPERATE TO THROW ALKANPHEL OFF HIS TRAIL.

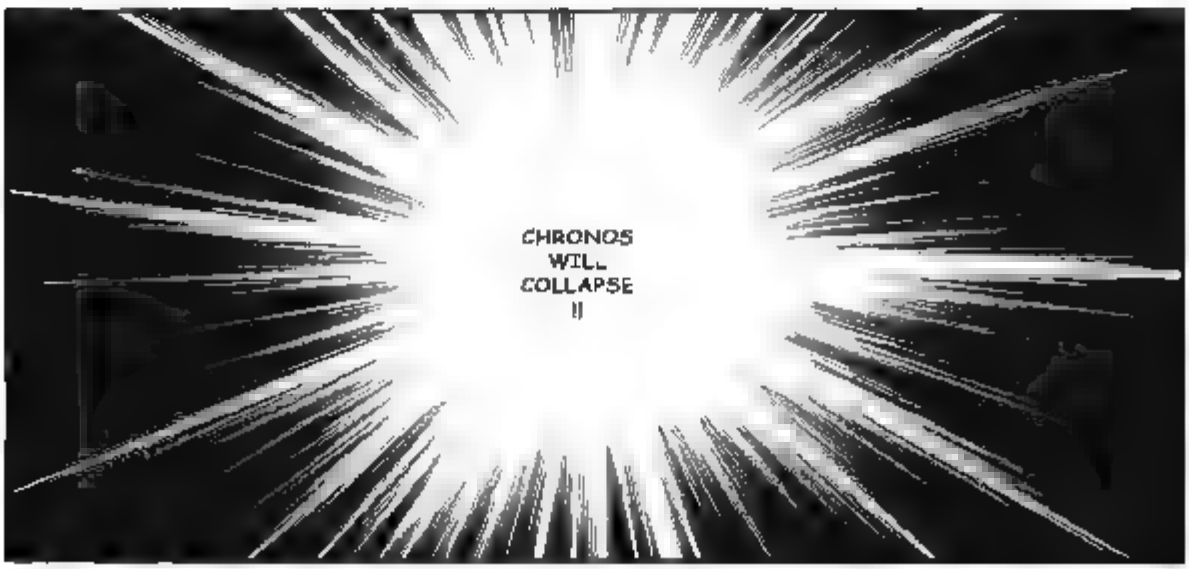
IF THE REMOVER IS CAPABLE OF WHAT I FEAR IT IS, THEN IN THE WRONG HANDS



CHRONOS WILL COLLAPSE !!

GASTER YOU STAY BEHIND AND TRY TO GET A GRASP ON THIS SITUATION.
FOR NOW DARZELB AND I WILL GO DOWN AND SEARCH FOR DR. VALKUS.

BUT THEN...
THINK ABOUT IT.
DR. VALKUS HAS CERTAIN... ABILITIES... WAY BEYOND OUR LEVEL.
FROM ANY LOCATION IN RELICS POINT, HE CAN SEND COMMANDS DIRECTLY INTO OUR MINDS.
YET WE HAVEN'T RECEIVED ANY ORDERS... WHICH SUGGESTS...
...THAT DR. VALKUS DOESN'T WANT US TO TAKE ACTION!
INDEED, WE SHOULD NEVER HAVE MOVED OUT OF THAT CONTROL ROOM!

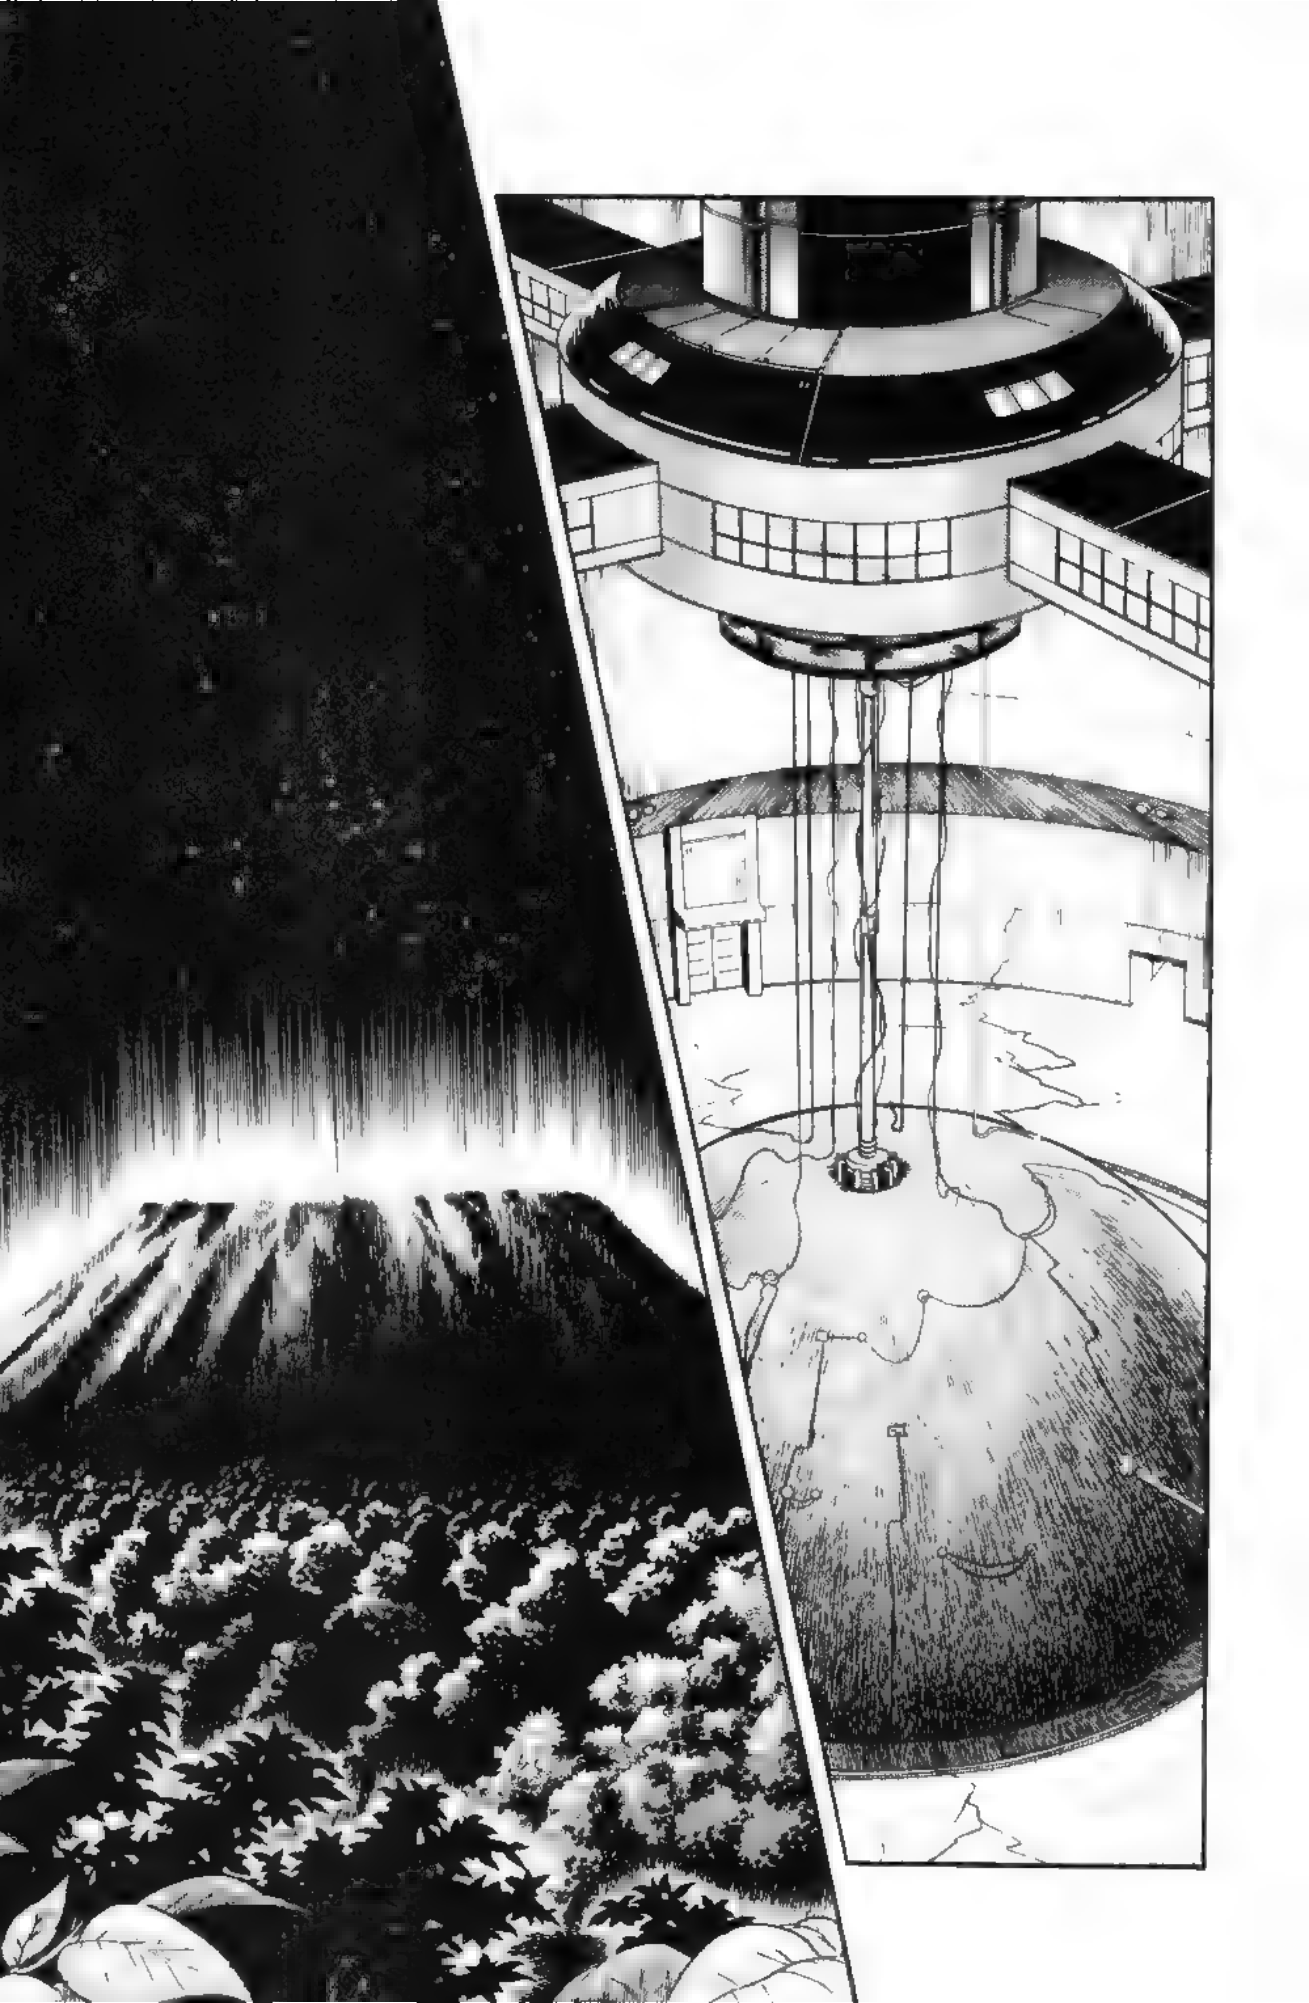
Chapter Six:
DEVASTATED!

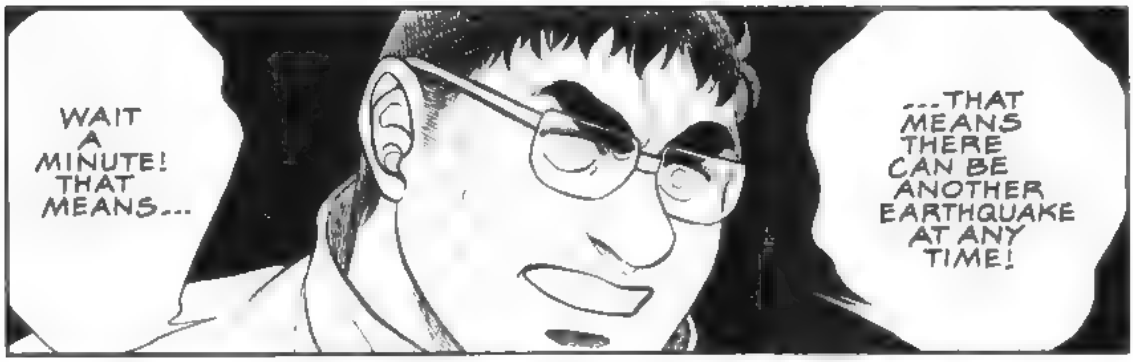


WHAT DO YOU THINK ?
OUR PLAN IS TO DESTROY RELICS POINT BY ACTIVATING THE RELIC ITSELF...
IT COULD WORK, MR. ODAGIRI.

BUT...
...THE SHIP HAS BEEN IN HIBER-NATION--
--NOT ENOUGH ENERGY HAS BUILT UP YET FOR ACTIVA-TION.
!!
BUT IT'S ONLY A MATTER OF TIME.
THE RELIC IS DRAWING ON ENERGY FROM AN UNDERGROUND HEAT SOURCE.
GEO-THERMAL ENERGY ?

YES.
I SENSE AN ENORMOUS HEAT SOURCE ABOUT FOUR KILO-METERS DOWN.
A MAGMA RESER-VOIR...
THAT'S WHERE THE RELIC HAS BEEN OBTAINING ENERGY TO MAINTAIN ITS BIOLOGICAL FUNCTIONS.
I SEE...

THAT WOULD EXPLAIN THE TAKESHIRO CITY SERIAL EARTHQUAKE PHENOMENON.
THE "TAKE-SHIRO CITY SERIAL EARTH-QUAKE" ?!
THAT'S THE NAME GIVEN TO THE SERIES OF QUAKES THAT OCCURRED AROUND HERE DURING THE 1960s.
ACCORDING TO DATA AT THE OBSERVATORY, THE EPICENTER WAS RIGHT BELOW MOUNT MINAKAMI.
THAT'S WHY THE LATE PROFESSOR YAMAMURA BEGAN HIS RESEARCH ON MOUNT MINAKAMI.
THE RELIC WAS PROBABLY SIPHONING ENERGY FROM THE MAGMA RESERVOIR...
...WHICH SOMEHOW INDUCED A WAVE OF EARTHQUAKE ACTIVITY.
!!



WAIT A MINUTE! THAT MEANS...
...THAT MEANS THERE CAN BE ANOTHER EARTHQUAKE AT ANY TIME!

!!

THE BASEMENT STRUCTURES HAVE BEEN SEVERELY WEAKENED BY THE RECENT VIBRATIONS OF THE RELIC.
A QUAKE ON TOP OF THAT COULD...

SHO !!

HOW MUCH LONGER WILL IT TAKE FOR THE RELIC TO CHARGE UP?
COM-PLETELY? AT LEAST THREE MORE HOURS.
THREE MORE HOURS...
MR. ODAGIRI! AN EMER-GENCY!!
WE'VE JUST RECEIVED WORD-- THERE HAVE BEEN HUGE EXPLOSIONS IN BLOCK B AND BLOCK D!
WHAT !?
THEN THAT TREMOR WE HAD DID COME FROM ABOVE... JUST AS I THOUGHT.
THE DETAILS ARE UNKNOWN AS YET, BUT SEVERAL PORTIONS OF THE ELEVATOR SHAFT HAVE SUSTAINED MAJOR DAMAGE.

MOST OF THE ELEVATORS ARE COMPLETELY INOPERABLE!
WHA-- ?!?
!!
SO... WE'RE STUCK IN THE BASE-MENT.
OH, GREAT.

CAN WE HALT THE CHARGING OF THE RELIC FOR NOW...?
NO...WE SHOULDN'T DO THAT.

I DON'T KNOW WHAT'S GOING ON ABOVE US, BUT I DOUBT THAT THE RELIC'S VIBRATION WENT UNNOTICED BY EITHER GYRO OR VALKUS.
WE DON'T HAVE A SECOND TO LOSE!

BUT IF ANOTHER EARTH-QUAKE OCCURS--
